# Gazette

VOL. 14 NO. 37 WEDNESDAY, SEPTEMBER 19, 1973

All of the 125 chairs were filled with an estimated 50 people standing at back, and an estimated 275 watched the outdoor program from their cars or inside the building on the occasion of the official opening of the Percy Page Centre, September 15th. Chairman Ernie Jamison introduces platform guests Pierre Garlepy, left, Daisy Johnson of the Edmonton Grads, Mayor Ray Gibbon, the Hon. Winston Backus (behind chairman), Lieutenant-Governor J. W. Grant MacEwan, the Hon. Horst A. Schmid and Mrs. Percy Page.

## Percy Page Centre officially opened

The estimated crowd of 400 people who attended Saturday's opening of the Percy Page Centre in St. Albert responded with enthusiasm to the excellent program presented.

Following O'Canada, led by the Albert Lacombe Singers, the Hon. Horst Schmid, minister of Culture, Youth and Recreation, gave an address of welcome from the provincial government and expressed his pleasure that the Associations for Amateur Sports in Alberta would now have a fine building with needed facilities at their disposal. He felt that bringing together the efforts of these many associations would foster a helpful interchange of ideas and a comradeship between the people involved.

Mayor Ray Gibbon spoke of the amazing improvement made in the former Mission Park School building by the Department of Public Works, and said he was sure the recreation associations would find a warm and congenial climate for their endeavors in St. Albert.

The Hon. Dr. J. W. Grant MacEwan delivered an outstanding tribute to two 'old and true friends' saying he had known both Mr. and Mrs. Percy Page for many years. He spoke of Mr. Page's many sided abilities and of his 'True Blue' sportsmanship and never-failing gentlemanly approach in all his associations with the many

people he had come in contact with over years of service as a businessman, sports coach and Lieutenant-Governor of Alberta. Mr. MacEwan also had great praise for Mrs. Page and her wonderful support of her husband.

Miss Daisy Johnson introduced the other members of the Edmonton Grads, giving their background on the famous basketball team and the crowd welcomed them with hearty applause. The fine address of Mr. Pierre Garlepy of the Alberta Advisory Board on Recreation for the Disabled also drew enthusiastic applause.

Mrs. Page was assisted

by Ministers Horst Schmid and Winston Backus in unveiling the Sign at the Centre and a large photograph of her husband for the entrance and her pleasure was obvious to all.

Following the turning over of the keys ceremony and the acknowledgements by chairman Ernie Jamison of the contributions of many people involved in the ceremonies, a tour of the Centre was conducted by Tony Hargreaves of the public works department and George Cuff of culture, youth and recreation, for guests. The St. Albert Chapter of the Women's Institute served refreshments.

## Joseph Ethier dies following accident

His many friends in St. Albert, Morinville and surrounding districts were saddened to learn of the death of Mr. Joseph Henry Ethier following a car accident in Edmonton about 10 a.m. Monday. He was 77 years old. Mrs. Ethier, a passenger with her husband, was released from hospital about two hours after the couple were taken to the Royal Alexandra, but Mr. Ethier died in mid-afternoon. The couple celebrated their 57th

wedding anniversary on September 11th.

Prayers will be said this evening at 8 p.m. in St. Joachim Church and funeral services will be held Thursday, September 20 at 10 o'clock, in the same church, with interment in Holy Cross Cemetery. Refreshments will be served following the services at the home of M. Ethier's daughter, Mrs. Leonard Hesse at 74 Gladstone Crescent in St. Albert.

## Council hears position of downtown businessmen on parking by-law

Town council was unable to get through what is probably the longest agenda ever presented them, on Monday night. A 20-minute appointment for representation of downtown businessmen on parallel parking was extended considerably, at the urging Councillor Hudson. "I am disappointed at the agenda scheduling which provided only 20 minutes," he said, realizing that the mayor's motion to move the item to Sept. 24 for proper discussion had merit in view of the agenda length. "We have been trying to resolve this matter for two years," he commented. There was a group of about 12 businessmen in attendance.

Mr. Richard Wheatley, representing a number of the businessmen, noted first that an earlier submission had been presented in June, asking council to consider a solution for parking. Speaking in his written submission which had been circulated to council, Mr. Wheatley suggested that, because there are no commercial businesses as such on the east side of Perron, excepting the bank with its own lot, a change to parallel parking could be made, leaving the west side as it is. This would maintain shopping convenience for the west

side businessmen, whereas parallel parking on the west side would reduce parking capacity by 50 per cent, and would drive away many patrons.

Mr. Wheatley also suggested a stop light at Perron and St. Anne. He said Mr. Hauptman had informed him that he is working out a proposal to acquire property from the town west of Perron's Store and convert it to parking at an estimated cost of \$100,000, which would help, and give more reason not to completely remove angle parking at this time.

He suggested that parallel parking on St. Anne and St. Michael was not needed at this time. Mr. Wheatley further noted that the eventual development of a paved road from the intersection of Perron and St. Anne west to Grandin Road will reduce through traffic on Perron street. Other recommendations in his submission called for paving on St. Anne to be extended west to Edmonton street and Edmonton street south to Churchill avenue.

Pointing out that if the town is giving priority to Perron street as an arterial road in reducing parking, this works against the merchants and the submission

recommended that if further arterial roads and bridges are needed because of new residential development, they should be paid for by the developers of new areas.

Coun. Thronson agreed with parallel parking on one side for at least one year and observed that he "looked forward with enthusiasm to concrete evidence of Mr. Hauptman's plan."

Mr. Ernie Jamison, noting that Mr. Wheatley was not representing him, suggested that all trucks, vans and campers be banned from parking on Perron street and that a solid line be painted down the street's centre and that the area of the highway and St. Anne needed attention. He recommended that the existing island be lengthened by three times, preventing cars coming from the 7-11 store area from crossing St. Anne at the end of the present island to get back out to the highway. He also reminded council that his

## Protestant Board Studies School Over-Enrolments

Protestant School Superintendent Elmer Gish reported to the Board on the enrollment situation with the 6, System. He reported to date 3,395 students have registered and expects this total to increase slightly until the end of September. Mr. Gish explained there are quite a number of high school students working on farms and are expected to appear for classes once harvesting has been completed.

In view of the rapid expansion of St. Albert and its population growth, Mr. Gish illustrated two schools where overcrowding has become a problem. He cited Sir Alexander Mackenzie School and Sir George Simpson school where there are a total of eight grade six classrooms and only room for seven. To solve this problem, Mr. Gish suggested that an additional teacher be hired and another classroom be 'created'. He concluded his report by also revealing that there was an over-enrollment in grades one and two at Leo Nickerson and Robert Rundle schools. To solve this particular problem, Mr. Gish suggested that an additional teacher be hired and an additional classroom be established, either within one of the schools (Rundle-Nick-

erson) or in a portable. In concluding his report, Mr. Gish said that he would not favor busing students from Mackenzie to Simpson and urged the Board to look at the possibilities of creating a classroom within Mackenzie.

Chairman Schroder proposed that the Language Laboratory at Simpson be developed into an additional classroom. Trustee Dr. Cuts objected to this proposal because, in his opinion, "the Language Lab. is in operation and should not be disturbed." Trustee Bill Webber showed concern over the removal of the Language Lab. equipment because of the possibility of said equipment becoming a dead loss if stored and left unused.

"Leave the equipment there" Dr. Cuts said, "and use the Lab. as a home room." Trustee Jim Wiltshire commented that the equipment in the Lab. was not up-to-date and the room could be put to better use if the equipment was removed and put in storage until adequate space was available.

Trustee Dr. Cuts lost his motion to have Elmer Gish, Bob Prather and John Hyrnew make a recommendation regarding the destiny of the Language Laboratory. Chairman Charlie Schroder's motion was carried and Dr. Cuts requested that his vote against the motion be recorded. Another motion to hire 3.5 more teachers and study the grade 1-2 problem was also carried.

## St. Albert squadron named best in Alberta

The St. Albert Squadron #533 of the Royal Canadian Air Cadets have won the Alberta award for the Best All Around squadron in the province. The announcement was made at the provincial meeting held on the weekend at Penhold. In accomplishing this feat the squadron scored highest points out of a possible 1200, and exceptional performance indeed. Commanding officer, Capt. Les Gault will make details and pictures available for next week. This is the second time that Squadron 533 has won this award, the first coming under the command of Commanding Officers Marcel Bergeron and Roy Hart in 1967-68.

# More Parking By-law

Continued from page 1.

proposal for the property behind the Gazette building had been before council for two years.

Mayor Gibbon noted that council has been looking at St. Anne street, Coun. de Bruijn agreed with the suggestion for parallel parking on the east side of Perron from St. Michael to St. Anne and noted that from St. Anne to the bridge is in the bylaw for parallel. He agreed with Mr. Jamison on no trucks.

Mayor Gibbon felt the by-law should include parallel parking on St. Anne and St. Michael when it is drawn, and get it over with, in view of upcoming development. He commented that the linen had been registered and work could start in the spring on the Grandin-St. Anne extension, which he agreed would relieve the pressure.

In reply to Coun. Hudson's question as to who he represented on St. Anne, Mr. Wheatley said his submission had been delivered to Chriss's store and Reggies Hardware, both of whom would oppose parallel parking.

"As a general observation," said Coun. Bakker, "a water distribution system uses pipes for flow and reservoirs for storage. Traffic uses roads for flow and parking lots for storage." Adding that roads shouldn't be used for storage and that a traffic light would make matters worse, he thought the bylaw should proceed.

Businessman Vince Maloney said congestion on Perron comes from two sources: the biggest congestion from traffic coming off the highway onto St. Anne. Considering the intent of the town for future use of these streets, said Coun. Lukay, "I cannot agree with Coun. Bakker," adding that it was unfair to impose parallel parking on the downtown area that the Grandin Road extension will solve to a major extent. He favored the recommendations of Mr. Wheatley.

Mr. Meleshko of St. Albert Pharmacy expressed

his concern for pedestrians crossing and felt the traffic light would make crossing more orderly for them. Coun. Bakker thought there should be no light if only one lane of traffic, but Mr. Wheatley said it was working in Lethbridge. Ken Pollen of the Sportshop thought the St. Anne corner was as bad for potential accidents as the backing out problem of angle parking and was also concerned about the arenaparking situation which could be improved by better road maintenance.

"There is no provision for other roads than the one that has been there for a long, long time," said Mr. Maloney. "The downtown merchants are sacrificial lambs for the town to move traffic to other shopping centres. They should not have to pay that price."

Coun. Thronson moved to accept parallel parking on the east side of Perron and the south side of St. Anne in principle, and Mayor Gibbon moved to refer the matter to Sept. 24 for further discussion, so that the bylaw can be done properly. The latter motion carried with Coun. Thronson opposed and representatives of the business districts will be invited.

Love of money is the root of half the evil in the world, and lack of money, the root of the other half.

# Glenhaven Residents Question Bus Policy

Residents of the Glenhaven Crescent area appeared before the Protestant School Board Wednesday night to complain about the inconsistencies which appear in the student busing policy, especially those attending Lorne Akins Junior High.

The point the Glenhaven citizens object to is the distance qualification. According to the Transportation Act, junior high students are entitled free bus service providing they live at a distance not in excess of 1.5 miles from school. In following the Act, some citizens of Glenhaven live either on the line limit, within 1.5 miles or just over the limit.

One of the residents who spoke to the Board was Tom White of 24 Glenhaven who asked by what means these distances were determined? Trustee Jim Wiltshire replied that distances are accurately measured with a delicate instrument . . . a surveyor's mileometer . . . and the route is also measured by travelling the distance and checked against the car's odometer.

Chairman Charlie Schroder informed the delegates that the Board had already discussed this problem with the Minister of Education and subsequently received a letter from the deputy minister which failed to qualify the Board's position. Mr. Schroder added that the deputy's letter will be discussed with members of the Department of Education, preferably with the deputy

himself and perhaps a change in policy can be put into effect. Mr. Schroder added that the Board has also submitted a resolution regarding school busing service to the Alberta School Trustees Association.

Trustee Jim Wiltshire announced that he was ready to make a motion whereby high school students would all be charged \$20 per year, paid in advance and thus abandon the free service. Trustee Don Munro agreed to the notice of motion providing a specific distance is established. Mr. Wiltshire added to his proposal that the

secretary-treasurer investigate busing policies in Edmonton and report back in time for the next regular meeting.

Elmer Gish, school superintendent asked Mr. Schroder if he would be allowed to make a suggestion? After being given leave to speak, Mr. Gish suggested that the flat fee concept be put into effect right across the board for all students from grades 1 to 12. Mr. Schroder accepted the suggestion and said the Board will consider that suggestion along with Mr. Wiltshire's forthcoming motion.

# the Gazette REFLECTS

Residents of St. Albert might find 'Council Watching' both an interesting and profitable exercise in the year ahead leading to the October 1974 elections when all positions will be filled.

There are a number of areas presently under consideration which will point up the differing priorities of council members, and the manner in which they may align themselves to further their individual objectives.

Five watching areas which may be of general interest currently are the return of the Preventive Social Services bylaw, which is getting a second look; the report on recreation recently received from town staff; planning for park areas in newer subdivisions; the future of the downtown core as council sees it; and the gut issues of essential municipal services such as sewer and water facilities, road and street programs and garbage disposal, which historically are the major role of municipal government.

The P.S.S. bylaw provided a degree of autonomy for boards and societies to manage social services, bypassing direct supervision by town administration of accounting procedures and fund dispersal. In considering how best to handle this service, Mayor Gibbon has pointed out that the province (which funds PSS 80 per cent) does not decree that a municipality must hire a professional director or establish a board. Some operate the service through a council committee with town staff, in order to reduce costs. Last year PSS cost \$30,125, although the board had requested \$62,800, a discrepancy in estimates which poses some questions on the impact of the services.

Council is divided on the recreation report. While agreed that it was good as far as it went, four councillors voted to hire a professional consultant for a further in-depth study, although the \$9,000 cost was not provided in this year's budget. Councillors Bakker, Fyfe, Lukay and Thronson, all educators, voted for the professional approach. Councillor de Bruijn indicated his support, if budget provision could be made first.

Park needs are allied with river valley preservation and matter of widespread public concern. Decisions will have to be made balancing maximum parks with maximum budgeting, along with size, location and types of parks preferred.

An important planning decision is presently under discussion on the future development of the downtown core. Council is considering small business development, institutional development, parking requirements, traffic access to Perron, St. Anne and St. Michael streets and related questions.

There is general agreement on council that the sewer and water financial commitments have been made on a thoroughly sound basis. Cost is about 3.7 million for each, spread over a minimum of 20 years. There is provincial backing which will hold per capita costs in line, and existing town cash reserves plus projected budget reserves to support the commitment, as well as offsite charges to developers.

Council Watching is presently a community service for a few. It could be a rewarding exercise for many. Hopefully anyone getting involved will do so with an appreciation of the volume of work facing their elected representatives. And with a view to assisting councillors by making their viewpoints known. Uninformed and/or spiteful criticism is no community service.

## LETTER to the Editor

### Community Spirit

The Editor:

With regard to the commendable, neutral report in the last Gazette on the New Business of Council in which Coun. Myrna Fyfe brings up the lack of suitable locations for kindergarten and nursery classes. I should like to be allowed to make the following remarks.

In 1967 the St. Albert Creative Schools Society operating at that time two kindergartens and one nursery class, was in a similar desperate situation.

With the co-operation of the majority of council (of which two members are still serving) and the town's staff, about 50 members of the Society and the St. Albert Arts and Crafts Guild combined, and planned, erected, roofed, painted, installed electricity and heating, laid the floors (with only the plumbing done on a contract basis) of two town owned spare army huts, which resulted in the maybe not beautiful, but highly functional Arts Centre.

After having earned its labour, the Society was given a five year lease on the daytime use of half of the 'hut' as it was affectionally called.

The Teen Centre was built by teen-agers under about the same conditions but for one use only.

Looking back on that summer in Sturgeon with fathers hammering, mothers painting and pre-schoolers stirring the paint-pots (...), I wonder why the same scenes could not be repeated. It is therefore that I do hope that the present council will recall this history of the Arts Centre and in particular I should like to remind Mayor Gibbon (at that time Councillor Gibbon) of the persistent, viscious game he played with respect to the Society's involvement with the Arts Centre, so that he will not give a repeat performance. I must give Ma-

yor Gibbon credit though for his positive attitude towards the erection of the Teen Centre... which history has proven to be so different from that of the 'hut'.

May members of the Tennis Club, teen-agers and the desperate parents of the classless pre-schoolers come together in that same pioneer and community spirit and again construct such dual purpose buildings.

Mrs. L. Bakker,  
25 Grosvenor Blvd.

### Taxpayers only

The Editor:

Do you know that the mayor of St. Albert boosted his wages from \$10,000 a year to \$12,000? Not bad for a spare time job. The councillors also boosted theirs to \$35 for each meeting that sometimes lasts about one to two hours.

I can't see how they can raise their wage after they get their job for three, four or five years. So if they weren't satisfied at the price they didn't have to take it.

Either make there full term or quit. You can always be replaced. (I wish I could raise my own wages).

Well, taxpayers, are we going to let them run us more in the hole than we are now? No wonder taxes are going up every year! The easy thing to do is spend somebody else's money.

A taxpayer who wants justice,  
Delphis Pouliot,  
46 Sturgeon Road.

## Town of St. Albert

### Notice of Public Hearing

The Council of the Town of St. Albert, having been given authority under Section 119 of the Planning Act 1970 R.S.A. as amended, to control development within the boundaries of the Town of St. Albert by zoning, will hold a public hearing.

The purpose of the hearing is to rezone the S.E. 3-54-25-W4 as shown on the attached map from Agricultural (A) to Residential Single Family (R1c).

From A to R1c

The proposed Bylaw No. 41/73 may be examined between the hours of 9:00 a.m. to 4:30 p.m. at the office of the Secretary-Treasurer, TOWN HALL, St. Albert.

The public hearing will be held in the Clubhouse on the 15th day of October, 1973 at 7:35 p.m.

Written objections to the proposed bylaw will be received by the Secretary-Treasurer at his office until 4:30 p.m. on the 9th day of October, 1973. Objections shall be submitted in writing prior to the meeting, those which have been received before the designated time will be discussed at the meeting before further oral presentations will be recognized.

R. B. BOWEN, SECRETARY-TREASURER.

## Youville Auxiliary plans Bazaar

The Ladies of The Marguerite d'Youville Auxiliary met at the Youville Home Sept. 11 for their first meeting of the new season.

Plans for the annual tea and bazaar were discussed, and members take charge of the various booths were appointed. The date was set for Oct. 28 - from 2 - 5 p.m.

The Ladies of the Auxiliary would be most grateful to anyone, within scope of the Gazette's circulation, who could contribute knitted articles, fancy work, stuffed toys, baking - in fact any bazaar items which would ring up a sale. There is also a need for paper-backs and comic books.

Raffle tickets for the Monday Doll - dressed in fifty

crisp one-dollar bills, and the artistic work of Sister Bonin - are now on sale, and it would be wise to get them early. You might be the lucky winner!

A second raffle has four prizes. The first is a beautiful quilt, made by several members of the Auxiliary and involving many hours of their time. An afghan, a hand hooked rug and a wall tapestry are the remaining prizes of this raffle. Support of ticket sales on either of these raffles will aid the work of the Auxiliary in making residents of the Home more comfortable. Tea will be served throughout the afternoon. It is hoped many town and district people will come and bring

a friend, to relax and enjoy themselves, while assisting in a worthy cause.

The proceeds from the tea and bazaar are used exclusively for providing comforts for the patients of

the Youville Home, who are most appreciative for anything done on their behalf.

Remember the date -- October 28th at the Youville Home auditorium.

## Saints & Sinners square dancing

On September 15 the square dancing season opened in St. Albert. The first dance was held in Sir Alexander Mackenzie School with about 7 1/2 squares participating.

Two new couples to our town came out. These new residents are from eastern Ontario.

A good time was had by all and a good brushup workshop was conducted. Next regular dance will be Saturday, Oct. 6 at Sir Alexander Mackenzie.

er Mackenzie.

A class for new dancers will commence Friday, Oct. 5th at the Clubhouse next to the swimming pool on Grenfell Avenue at 8 p.m.

Edmonton and District Square Dance Association are having a kick off dance at Ross Shepherd High, 8 p.m. Sept. 22.

## Lukay Misquoted

Councillor Lukay was misquoted in a Gazette Council report last week, in a manner which changed the meaning of his statement. Asking that information on financing the town sewer project be published, he also wanted the hypothetical case to be made as to the situation if St. Albert "had" no further development. The word used was "allowed"

instead of "had", and the Gazette regrets the error. It is difficult to hear in the temporary Clubhouse quarters, but policy is to quote councillors as accurately as possible, for the benefit of readers interested in knowing how their elected representatives think about issues coming before council.

Councillor Lukay told the Gazette that he feels "people should recognize that the only way St. Albert grows is on a competitive basis with other centres in the Edmonton Metropolitan area. We cannot rely on a guaranteed growth and we should be flexible enough to prepare for that shock," he commented.

## Can You Help?

Mrs. Terry Ainsley, who has worked on United Community Fund for a number of years reports that volunteers are needed for the one-night blitz being held in St. Albert on Monday, October 15. Canvassers are required for all districts in St. Albert, and given good support the job is not too difficult for any volunteer. Anyone who can help is asked to phone Terry 459-6928

ge House - with pride"

# Heritage House Plans Gala Opening Sat., Sept. 22 at 123 Sturgeon Plaza

Another section of Sturgeon Shopping Centre will be officially opened Saturday, September 22. This new business located at 123 Sturgeon Plaza is Heritage House Floor Fashions and Decorator Centre Ltd. Founders and operators of the new outlet are Don and Margaret Sinclair, a very popular local couple, and proud par-

ents of Karen 13 and BIII12, both students of St George Simpson School.

Don Sinclair launched his career in the floor covering industry back in 1958 with Western Floor Coverings of Edmonton. With this firm, Don worked his way up the ladder from the order desk to assistant manager during his 12 years with the firm.

In 1970, Don resigned this position and moved to St. Albert where he was appointed manager of the St. Albert Arena. In this line of endeavor, Don established arena scheduling and was instrumental in bringing about the convenience of a food concession along with the general streamlining of this facility. Due to health reasons, Don was transferred to Town Hall where he was employed in the accounting department then was moved to the Building Inspector and Development Department until recently when he decided to go in business for himself.

Heritage House occupies 2,160 sq. ft. of floor space, 1,500 of which is devoted to reception and display area, the balance is being used for warehouse space. About half of the display area features Corlon floor carpeting while the other half is finished in matching grey shag carpeting. In addition to attractive display shelving, gondolas and sales racks are two groupings of modern chairs and coffee tables which provide restful shopping 'spots'. These groups of chairs and coffee table 'nests' are for the convenience of customers who wish to sit while being shown swatches, paint chips and wallpaper catalogues.

Heritage House will stock brand named carpeting, as well as a complete line of Resilient Floor Coverings, Sherwin-William Paints, a wide array of wallpaper plus allied merchandise to make this outlet a complete one-stop business.

"Our policy," said Don Sinclair, "is complete customer satisfaction and our motto is 'For Your House From Heritage House - With Pride.'"

Don and Margaret have decided on a very practical schedule of working hours for their new store. On Mondays, the store will be closed thus giving the owners and staff an opportunity to make house calls and give estimates. From Tuesdays to Fridays, Heritage House will be open from 12 o'clock noon until 9 p.m. then on Saturdays from 9 a.m. until 6 p.m.

Mr. Sinclair pointed out that the above described store hours are designed

to give his customers the ultimate in convenient family shopping opportunity. Don reasoned that most households shop for floor coverings, wallpaper or paint on special occasions, therefore they want to make their selection when the family is together.

"By establishing our special hours of business," Mr. Sinclair said, "families can do all their shopping in our store as a family unit." He added that working within such a convenient schedule, house calls will be done during Mondays and forenoons. If it's a rush job then Heritage House will make a special trip to give an estimate as well as advice on color co-ordination of interior finishes which will complement the home.

Heritage House promises to handle only top-quality merchandise at competitive prices. Carpeting stocked will be famous brand names like Armstrong, Harding, Celanese, Oette and others. The Sinclairs will also feature a new merchandising concept in the exclusive Armstrong Floor Fashion Centre... providing decorating and color co-ordinating aids. Armstrong's way of saying: "A Beautiful New Way to Buy Floor."

Last week, Don and Margaret Sinclair spent six days in Calgary attending a color co-ordination and management seminar and said it was indeed well worth the effort because at this six-day session "the latest ideas in merchandising and color harmony were unveiled."

With such a busy past in the business world, it's hard to figure out how Don was able to find time to become one of the most distinguished Kinsmen in Alberta. In 1964 he was a charter member of the St. Albert Kinsmen and from then until 1972 he continually climbed the Kin ladder of success. After his 1964 initiation, Don held several executive posts then became Kin president. He chaired the St. Albert Kin Rodeo for the first three years then again in 1971. In 1969 he was elected district governor for 67 Kin clubs in Alberta and Northern British Columbia. During this period, Don also logged five national meetings plus attended the offi-

cial opening of the Kinsmen Research Centre On Mental Retardation held in Toronto on the Kin's 50th anniversary year. His last important function was as district chairman in 1972 of the \$50,000 Kin-Stakes lottery.

While Don pursued a distinguished career in the Kin Fellowship, his wife Margaret stood by his side throughout his many years of responsibility. Margaret is a past president of the Beta-Sigma-Phi Sorority. The Sinclairs are indeed looking forward to their

grand opening September 22 when they hope to meet all their old friends and make new acquaintances. On that day, Heritage House will offer coffee and doughnuts, door prizes and a warm welcome for everyone.

Apprentice: "How many lengths of this raffia should I saw?"

Foreman: "Ten. Then bring me the three that you think are nearest to the right length."

WE'D LIKE TO WELCOME OUR NEW NEIGHBOURS

## Beat Inflation

The gals of the Sturgeon General Hospital Auxiliary have the right idea to help beat inflation, they are holding a Next to New sale on Saturday, Sept. 29th at the St. Albert Community Hall, starting at 10 a.m. until 2:30 p.m. They have many lovely items for sale including childrens winter clothing. A bake sale will be held in conjunction with the next to new, and all

prices are marked low to go. Some lucky lady will win a free facial, courtesy of Pat's Slim Wrap, so come on out and get a head start for winter.

## Guid association offers fine support for girls

Mothers of Brownies, Guides, Rangers and Cadets are reminded that they qualify as members of the Local Association of the district in which their daughter's pack or company meets.

District Local Association (L.A.) are defined in the book 'Policy Organization and Rules, Girl Guides of Canada.' A local association is a group which should be established in each district and on the advice of the division commissioner, assume the responsibility for organizing packs, companies, or other routine district business as authorized.

Membership shall consist of the district commissioner and usually a secretary and treasurer, elected annually, the badge secretary, representatives from the guides (leaders), representatives of parents committees and other local community minded women and men of integrity and ability, who will support the guide organization, and interpret its aims and policies to the public.

An association, helps and encourages the guides and commissioner, but must leave them free to assume their responsibilities in the management of their respective groups.

The L.A. in St. Albert, and elsewhere, is indeed a great support to the guides and commissioners. The devoted ladies in these groups organize bake sales, bazaars and teas, assist the guides in teaching when necessary, and some of the harder even accompany packs or companies to camp. They also offer financial assistance from L.A. funds to send new and old leaders to training in the arts of being a successful guide. Equipment is bought and made available to packs and companies.

This moral support and financial assistance makes many a guide very thankful for the active L.A. in her district.

However it is the daughters of L.A. members, who most benefit from their Mother's interest in guiding. L.A. members are aware of the programming in packs and companies, and the requirements for brownie and guide badges. Therefore their daughters receive encouragement which is not always present in the homes of those who lack this knowledge.

Last year at the annual meeting of one district L.A.

the elected executive outnumbered the other ladies attending. It is well understood by all in guiding (nearly all mothers) that in some instances a mother may be unable to commit herself to the organization, because of circumstances in the home. Surely though each mother should give some support to her daughter by offering to assist in some way however small.

Mothers are advised

above all to obtain a brownie or guide handbook for their daughter's and their own use. Also available by a request to the guide, is a badge requirements book, costing approximately 60¢. At the Edmonton Area Guide H.Q. (upstairs in the Scout Bldg. 142 St. and 109 Ave.) there is an extremely interesting store for guiding supplies. It's well worth a trip to see some of the articles available.

HON. ROY FARRAN

ST. ALBERT MLA, ERNIE JAMISON

READY TO MEET THE FUTURE WITH SP-1

## Historical Phone Call Re-Enacted

Even before Alberta became a province, St. Albert as the site of a mission, and prior to that period as the site of one of the first Hudson's Bay forts has played a predominant role in the development of Alberta. There are many 'firsts' attributed to St. Albert and not the least of which is the first telephone call to be made in Alberta was made by Alex Taylor of Edmonton to McKenney's Store here in St. Albert way back in 1885.

McKenney's Store, a humble private enterprise dealing in general merchandise was located a short distance from the banks of The Sturgeon River. This building was later moved to 3 Mill Drive.

This historical telephone call was repeated last week when Hon. Roy Farran, minister of telephones and utilities placed a ceremonial call to St. Albert through a new generation of AGT telephone switching equipment. The call was made to St. Albert MLA, Ernie Jamison in the new \$1.8 million addition to the Alberta Government Telephones exchange located here on St. Thomas Street.

The sophisticated new equipment, called SPI electronic switching bears no

resemblance to that used by Alex Taylor in 1885 and will offer St. Albert subscribers special calling features never dreamed possible in the early days of the telephone.

These features, to be available soon at additional cost, include three-way calling, where a third party can be added to a call in progress and call forwarding where a subscriber can transfer his call to another number if he is out.

Other features are call waiting, which provides a short burst of tone to a busy line to tell the subscriber someone else is calling his number; and speed-calling,

allowing frequently called numbers to be reached by dialing a one or two-digit code instead of the normal directory numbers.

The new electronic switching equipment was put in service at 12 noon on Saturday, Sept. 15, and will provide lines for 3,200 telephones with numbers having the new prefix 458.

It is not known what Mr. Taylor and Mr. McKenney talked about in that momentous first telephone call. It's not unreasonable to believe that the two gentlemen were concerned with the threat of an Indian uprising in this region. They may have dis-

cussed the Louis Riel Rebellion and its offshoot massacre at Frog Lake at that time. In view of these known historical facts, Mr. Farran and Mr. Jamison briefly discussed the possibilities of a local Indian uprising and quickly came to the conclusion that no such threat was imminent.

A spokesman for Alberta Government Telephones said that St. Albert residents will be informed by direct mail regarding the installation of the new equipment, what the newly expanded facilities will offer and more details about the 458 prefix service line.

This attractive little residence, now located at 3 Mill Drive according to local historians was the former McKenney Store. Back in 1885, Alex Taylor of Edmonton made the first telephone call ever to be recorded in Alberta. He called the McKenney Store which was located along Perron Street and close to the banks of the Sturgeon River. The structure was later moved to its present location and converted into a residence.

## Around Town

Gordon Smithson's mother, Mrs. Annie Smithson, his sister Dorothy McCallum and his brother Bill with wife Phyllis arrived last Thursday from London, Ontario. His 80 year old mother had the misfortune to hurt her hand in a confrontation with her wringer washer shortly before leaving. However she is able to keep up with all the activities and the accident has proven something of a blessing. She can ignore Bette's mending basket with a completely clear conscience! The visitors will be going on by car to visit Mrs. Smithson's brother at Westbank, near Osoyoos, B.C., before returning to London.

Shirley McQuitty of the Sturgeon Hospital Auxiliary and Mrs. McMillan of the Youville Home Auxiliary both report a need for paper-back books, which patients in both institutions appreciate. At Youville come

books are also requested. Residents who would like to help out may call Sheila Cooper for Sturgeon at 459-6946, or Flo Hartmetz for Youville at 459-6307 and have the books picked up.

## SGH staff enjoy party

The Sturgeon General Hospital staff enjoyed a corn roast Sunday at the home of Mr. and Mrs. Bud LeClair on rural route 8, where home grounds and warm hospitality were extended.

The event was hosted by the hospital administration and arranged by the staff social committee. About 70 members of the personnel attended. The evening concluded with a giant bonfire

and sing song, when Mrs. Pat L'Hirondelle on her guitar was a big hit.

The committee felt that the evening was most successful, but would have liked to have seen more of the departments represented. Eleanor Montpetit of the social committee reports that the next function planned is the Christmas party.

## New studio offers basic loom weaving

The first course in Basic Loom Weaving, being conducted by Mrs. Jane Scholler in her studio at 39 Birch Drive, got underway yesterday afternoon. Thirty hours of instruction will be given over five weeks at \$1 per hour. A second course will be started in October.

Mrs. Scholler received her training from May Gray, a noted teacher and Mrs. Yates, whose weaving exhibition is currently at the Edmonton Art Gallery. She will be furthering her training at the University in February at the Banff School of

Fine Arts this summer.

Her textile craft studio is presently equipped with eight looms and she will be able to accommodate additional classes if there is a demand. The Schollers came to St. Albert in January from Camrose.

Town residents might be interested to read about the cost for sewage disposal to a homeowner in East Hampton, Connecticut, which is described this week in an item by the Gazette's Calahoo correspondent, Liz McLeod, in the Calahoo and district report.

## St. Albert teams make excellent showing in city youth leagues

The increase in the number of Hercules soccer teams entered in the Edmonton Metropolitan Youth Soccer leagues this year was primarily to allow a greater number of boys to have the opportunity to be exposed to a better than average standard of minor soccer. The number was increased from four to eight to include a Mini-Mite (6 and under) premier team plus Mite (8-10), Pee-wee (11-12) and Bantam (13 - 14) Central league teams, alongside the mite, pee-wee, bantam and midget premier teams which have played in previous years.

The results have passed all expectations as the mini-mite, mite, pee-wee and midget premier teams and the mite central league team ended up as cup finalists in knock-out competitions involving all EMYSA teams

playing in their respective leagues.

In addition the mini-mite, mite and pee-wee premier teams and the mite and pee-wee central league teams are all currently involved as finalists in league championship playoffs to determine who will represent Edmonton in the Alberta Minor Soccer championships.

Winners of the various Central league games and the mini-mite premier league will play representatives from Calgary and Cold Lake in Edmonton on September 23 and 30 while the winners of the various other Premier Leagues will play representatives from Calgary and Cold Lake in Calgary on September 30.

Teams in the mite, pee-wee, bantam and midget premier division who emerge as Alberta champions travel

to Manitoba next month to compete with the B.C., Saskatchewan and Manitoba champions in the Western Canada finals. The Western Canada champions enter the Canadian finals which will be played against the Eastern Canada champions in the home towns of the Western finalists.

The exceptional success of St. Albert teams this year is very much due to excellent coaching provided by John Alliston, John Aldred, Herman Kochan, Herman Nipp, Joe Kelly, John Meara, Jim Hall, Chris Roehrs and Ed Schroeder plus the skill and spirit of the teams and last but by no means least the excellent support from parents.

On Sunday, Sept. 23 the parents and coaches are really going to be involved in soccer at Sir George Simpson soccer field.

At 2 p.m. the Sturgeon Mite League champions - Stan Green's Tigers play off against the Grandin Mite League champions - Vic Harries Indians for the Mite League Championship Trophy.

At 3:15 p.m. the moms of the mite premier team play a "grade" match against the moms of the Mite Central team. Then at 4 p.m. the coaches will line up to try and show the midget premier team how to play soccer and try to win the Ed Schroeder Challenge Cup.

Renee Laird has graciously offered to supply the usual gallon of horse liniment for the coaches. All they need now, according to the midgets, is transportation on and off the field.

**PREMIER EMYSA CHALLENGE CUP FINALS:**  
Lauderdale 2-St. Albert Mini-Mites 1; St. Albert Mites 4 - Athlone 1; Glen-garry 2 - St. Albert Pee-wees 1; St. Albert Mid-gets 2 - Brinkerhoff 7.

**CENTRAL EMYSA KNOCK OUT CHALLENGE CUP:**  
St. Albert Mites 7 - Ken-lworth 0.

## Comets again enter Edmonton Central League

Dave Lewis, assistant manager of the St. Albert Comets hockey team advised the Gazette Tuesday that the senior hockey team will again operate in the Edmonton Central Hockey League which they joined three years ago.

In a league meeting at Namoo Monday evening, it was learned that all of last year's teams with the exception of Ray's Esso will be back. Ray's have again ran into home-ice problems

and requested a year's leave of absence. The rest of the teams are Sherwood Park, Lethbridge, Barrhead, Westlock, Winterburn, Stony Plain, Namoo and St. Albert.

Comets won the regular league schedule last year with a 21 out of 27 record, but lost in the semi-finals to Westlock. The team was in the thick of things provincial play-off wise and this no doubt contributed to the defeat by Westlock.

Comets are expected to

have most of last years players back, including coaches Gary Checknita and Al Laplante who did an excellent job.

Stan Peek has again been voted (unanimously) as league president for his seventh year.

The league is scheduled to start in early November and the Comets home games are expected to be Friday nights and Sunday evenings.

## Badminton Club Expanding

The St. Albert Badminton Club held its annual general meeting at the Public Library on Sept. 17. Outgoing President Bob Green presented his report on the 1972-73 season highlighting the past year's activities.

The club's membership of 70 had another very successful year of club play, tournaments, and interclub competition, three nights a week at St. Albert High School and Vital Grandin School. The outgoing President expressed concern that the club's membership had outgrown these facilities and that subsequent overcrowding would have a detrimental effect on the club's competitive spirit.

The meeting elected a new

executive - Judy Wood, president; Ian Abraham, vice president; Dave Chalcraft, secretary; June Laven, treasurer; Bob Sage and Sandy Warren, tournament captains.

The new executive pledged to actively seek new facilities in the recently completed Paul Kane High School and as suggested by the president's report, in addition the executive wishes to announce that:

\*club play starts on Monday, October 1st at St. Albert High School.

\*Lessons for beginners and intermediates will be held starting in mid-October.

The club extends a hearty welcome to all newcomers to St. Albert wishing to play badminton. Please phone Judy Wood at 459-8696 if further information is required.

# Avengers take top spot with 3rd straight win

St. Albert Avengers football team posed for the Gazette photographer following their 50-0 win over the Wolverines Sunday at Coronation Park. Left to right, top row: Coach Rick Suggitt, Murray Short, Jordan Johnson, Clayton Kubbernus, Sean Kehoe, Craig Sutherland, Earl Evanlew, Terry Leddy, Dave Ammar, Mark Tworek. Middle row, (l. to r.) Joe Tworek,

Tim Dymchuck, Pat Dolphin, Max Mault, Sean Comisky, Francis Tworek, Frank Ammar, Colin Parayko, Carmen Cook, Dave Shipanoff, Jim McBain (coach). Bottom row, (l. to r.) Jeff Baker, Chuck Burns, Bob Drysdale, Travis Parayko, Roy Galloway, Barry Benoit, Brian MacDougall, Rod Wiltshire, Lorne Christianson, Barry Suggitt (coach).

St. Albert Avengers for the third straight game came up with a near perfect performance in their 50-0 win over the Wolverines Sunday in Husky bantam football league play.

Avengers are now in top spot in the north division with a 3-0 record following earlier shutouts over the Razorbacks 20-0 and 31-0 on the Seals.

Defensively the Avengers are showing mid-season form bringing many a smile from coach Jim McBain. Brian MacDougall and Dave Ammar were standouts in Sunday's game at Coronation Park.

The starting offensive backfield for the Avengers are terrorizing the league with halfback Sean Kehoe getting 10 touchdowns in the three games to date. Sunday he picked up four. Flanker Terry Leddy has three touchdowns and six converts for second spot in scoring.

Other point men in Sunday's win were Francis Tworek and "Mini" Max Mault with majors. Quarterback Joe Tworek has been outstanding in all three games.

Avengers next game will be Sunday against the Warriors at Kinsmen Park. Game time is 2 p.m.

## Juniors negotiate for new coach

Ron Yanosik, president of the St. Albert junior hockey team said last night that the club would probably hold its first practice Friday, October 5 in the St. Albert and District Arena. Exact time will be announced later.

There has been no official announcement as to the coach but Yanosik states negotiations with two well known St. Albert residents are underway. It appears that Rick LeLacheur, last years coach, will be in a managerial position this season.

The league has also accepted the Leduc Riggers into the fold and negotiations are presently underway with Stony Plain.

South Side Metros have been dropped from the league.

League schedules should be available in a week or so and hopefully a coach will also be named at that time.

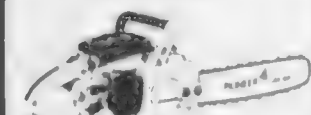

Interested players are asked to contact Ron Yanosik at 459-5340 or Garth Leask at 459-3825.

## Bruin Inn Cycle Club Reviews Active 1973

This year has been the most successful season yet for the Bruin cyclists. Members of the club rode with considerable success in races as far away as B.C.'s Okanagan Valley, taking part in several bicycle tours and helping to run the 26 bicycle races promoted by the club.

The most consistent riders were 15 year old Ron Moore and Seniors Karl Schneider and Peter McCaffery. Moore showed great promise during the year and had there been an Alberta Cadet championship (14-15 years) he would assuredly have won it. His best performance was the winning of the novice trophy in the club's Thursday evening road race series.

Schneider and McCaffery started off the season well, both finishing in the top 1/2 of an international field in the 250 mile tour of the Okanagan in May. McCaffery also won the Westlock-St. Albert road race and the Senior Thursday Road Race series.

Bicycle racing, like any organized activity, needs willing and able helpers to perform the many necessary administrative tasks and the St. Albert Bruin Inn C.C. is very fortunate in having

three girl members who did the lion's share of running the various activities. Bonnie Mox, Carolyn Burly and Kara Jones can feel justly proud of the many hours of taking entries, marshalling races and timekeeping that they put in so that the racing cyclists could have events in which to ride. All the riders say a big thank you girls!

Next year the club plans to run a recruiting campaign aimed at the teens. There are hundreds of teenagers riding around the town and enjoying their bicycles and the Bruins would like to introduce these young people to the joys of bicycle touring and possibly organize some competitive events for them.

Anyone who is interested in finding out more about the St. Albert Bruin Inn Cycling Club, please phone Kara Jones, 475-1894 after 5 p.m. This report wouldn't be complete without a vote of thanks to the club's sponsor, The Bruin Inn Hotel. Without the generous donation from Mr. Albert Hauptman, many of the club's more ambitious projects would not have taken place. Thanks again Albert!

## Bruin Club To Hold Cyclo-Cross Series

The St. Albert Bruin Inn Cycling Club is promoting a series of three cyclo-cross races to round up its 1973 cycling program. The first of these spectacular races is to take place at 2 p.m. on Sunday on a course on Mission Hill.

There will be categories for licensed and novice riders and all interested cyclists are encouraged to come and ride.

This year, Peter McCaffery of the St. Albert Bruins will be seeking his revenge on John Bryan of Geogrey Cycle who beat him by a

scant 10 seconds in last year's Mission Hill race.

Cyclo-cross is the cycling equivalent of moto-cross and motorcycle scrambling and takes place on circuits which include obstacles, running sections and very difficult riding stretches. Most of these courses require very skillful bike handling and lots of nerve on the part of the riders.

The other races in the series will be held in Queen Elizabeth Park, Edmonton and east of Ridgewood Terrace, St. Albert.

Playing in their first year this Division 10 Premier team turned in a remarkable performance, defeating Lauderdale 2-1 for the Challenge Cup. The 6-8 year old soccer players are now involved in the EMYSA league with four games to go. Standing from left are: Walter Hoffman (coach); Murray Schrader, Robbie Hoffman, Emanuel Vivelros, Adrien Froulx, Ken Kondratuk, John Fontaine, David Jolden, Ed Schrader (coach). Kneeling are David Findlay, David Price, Kevin O'Hara, Des O'Kell, Tony Austin, Stefan Johansson, Ken Kowalsky.

St. Albert's Mile B Challenge Cup winners defeated the Rosslyn mites 6-0 for the victory. The team is also a finalist in the EMYSA championships. Standing are coach John Meara, Martin Alderton, John Green, Dan Laplante, Andrew Howell, Geordie Fludechuk, Pal Gau, and coach Ricky Heese. Kneeling are: Ian Kay, John Holden, David Lock, Daryl Wright, Terry Meara, Ashley Sage, Ron Heese. (Arton Banks missing). Challenge Cup goals were by Alderton, Kay, Meara, Howell, Banks and Laplante.

## ST. ALBERT RECREATION HIGHLIGHTS

### LOST & FOUND

A few watches and rings which were left at the pool during the summer are now in the office of the Recreation Department in the Town Hall. They will be kept for one more week after which they will be turned over to the RCMP.

**HOCKEY:** The FINAL registration for minor hockey (boys 7-13 years), sponsored by the St. Albert Kinsmen Club, will take place on Thursday, Sept. 20 between 6:30 and 8:30 p.m. at the Clubhouse (beside the swimming pool). No registrations will be accepted after that date as teams have to be made up etc.

The fees are \$7 for shavers, \$10 for mites, pee-wees and bantams and \$13 for midgets and juveniles. The family rate covering all categories is \$20.00. Registration forms must be signed by a parent or guardian. They can be picked up at the Town Hall and will also be available at the time of registration.

### FIGURE SKATING:

The instruction available is described elsewhere in this issue and the fees were included in last week's Gazette. Registration for classes will be held on Saturday, Sept. 22 between 10 a.m. and 12 noon at the Club-

house (beside the swimming pool). Information can be obtained by phoning Mrs. Marj Joyal at 459-8336 or Mrs. J. Malinowski at 459-6852.

Depending on the use of the arena by the schools, learn-to-skate classes will be scheduled during the day.

At present two are being planned, one to take place in the morning and one during the afternoon to try and accommodate children who are enrolled in kindergarten. The cost will be \$6 for 10 lessons, with each lesson consisting of a half-hour's instruction and a half hour of practice time. The days and times of lessons will be announced as soon as they are known.

### PHYSICAL CULTURE:

Mrs. Margaret Thompson, who introduced physical culture to Western Canada a few years ago, will be coming to St. Albert to instruct classes in Sir George Simpson School on Thursday evenings. Three classes will be held each evening: 6-7 p.m., 7-10 years; 7-8:30 p.m., 11-14 years and from 8:30-10 p.m., 15's and over (and there is no upper age limit). The cost will be \$4 for the 6-7 p.m. class; \$5 for the 7-8:30 p.m. class and \$8 for the 8:30-

10 p.m. Registrations will be accepted, along with fees at the Recreation Department in the Town Hall up until Oct. 3. 10-week sessions of classes will start on October 4.

### SYNCHRONIZED SWIMMING

The Edmonton Aquadette Synchronized Swim Club is holding try-outs for their club on Sunday, Sept. 23 at Victoria Composite Pool in Edmonton at 10 a.m.

The pool has been closed and repainted and the club apologizes for any inconvenience that this may have caused.

For further information please call Loretta Patterson at 459-8435.

### TABLE TENNIS:

Anyone for tennis (table)? If so, phone Ed McKinley at 459-4607.

### CHILDRENS GYM:

Gym classes for four and five year olds and six to eight year olds will be held on Saturday mornings in Leo Nickerson School, starting on October 13. The courses will last for eight weeks.

### LADIES NIGHT OUT:

This 10-week program, sponsored by the YWCA, starts on Thursday, Sept. 27 in Father Jan School, Mission Avenue at 8 p.m. The cost is \$7 and the program consists of a session of keep fit exercises, followed by games of volleyball and or basketball. Registrations will be taken on the first night.

### ST. ALBERT

## FIGURE SKATING CLUB

**REGISTRATION:**  
SATURDAY, SEPTEMBER 22 -- 10 a.m. - 12 noon  
IN THE CLUBHOUSE (BESIDE THE SWIMMING POOL)

### SCHEDULE OF CLASSES

**MONDAYS:**  
6:00 - 6:00 A.M. C.F.S.A. Group Instruction  
4:00 - 6:00 P.M. C.F.S.A. Ice Only

**WEDNESDAYS:**

Sat., Sept. 29, 10-12

AT THE CLUBHOUSE

The St. Albert Girl's Curling Club is getting ready for another active season and above can be seen the 1973-74 executive: Cindy Cairns, secretary; Cindy Oakes, treasurer; Laurie McGregor, vice-president; Jill Schiackinger, president and Karen Hoosier social convener. The executive wishes to announce a general meeting for Sept. 28 at 4 p.m. to be held in the St. Albert Curling Club. All school girls attending junior and senior high schools who are between the ages of 12 and 19 years please attend. Beginners are welcome.

Three of the main reasons the St. Albert Avengers bantam team have a perfect 3-0 record in Husky bantam football league play are from left to right - Terry Leddy, Joe Tworek and Sean Kehoe. Tworek is the quarterback while Leddy and Kehoe are running wild in the backfield. Kehoe has 10 touchdowns while Leddy has three and six converts.

## Around Town

Last Sunday Harry Hutchings accompanied by his wife Margaret and daughter Karen motored to Barrehead to attend a Zone 14 meeting of the Midnight Twilight Tourist Association. For the return trip Margaret and Karen beat Daddy with very little trouble. They were taken aboard a light aircraft flown by a friend of the Hutchings who lives in Athabasca. The two Hutchings

ladies thoroughly enjoyed the flight back home and had plenty of time getting supper ready for Daddy when he finally made the scene.

Harry Hutchings recently returned from his annual goose hunting expedition to Compeer, Sask. and reports that he and his party of three companions brought down 19

birds. "And we didn't shoot any of those birds from our hotel window," Harry was quick to confirm. This is Harry's 12th year out for geese in the Compeer area and reports that one of his companions has been going to this same shooting spot for 22 years.

# Well loved pioneer dies at 100 years

September 13 brought the passing of the last member of a large pioneer family of the Edmonton region. Mr. Joseph Candide Berube died at the grand old age of 100 years and seven months.

Over the many years of his life Grandpa Berube made numerous friends. At his funeral on Monday, Sept. 17

a great number of these friends and the majority of his now very large family gathered to pay their last respects at St. Peter's Church in Villeneuve.

Father Roland Berube celebrated the funeral mass assisted by Father Cunningham of Villeneuve. Two great grandsons David and Gary Soetaert were altar servants. Six grandsons were pallbearers: Levi, Martial, Roger and Roger Berube; Emile Soetaert and Aurele Durocher. Readings at the mass were given by Elaine Soetaert, great granddaughter and Lena Soetaert, grand-daughter. Remi Soetaert another grandson accompanied the Villeneuve choir on the organ. Burial was in the Villeneuve cemetery.

Mr. Berube is survived by three sons Leo, Paul and Henri and one daughter Rita, Mrs. Albert Soetaert. Thirty-seven grandchildren, 75 great grandchildren and 28 great great grandchildren. Father Berube paid tribute to his uncle when he spoke simple in his homily "My uncle was quite a man," He said it all.

Joseph Berube was born Feb. 5, 1873 at St. Pierre Baptiste, Quebec. At eight

years of age he went with his family to Lewiston Maine U.S.A., where he worked in a cottonmill. Returning to St. Pierre Baptiste as a young man he met and later wed Georgiana Lessard on March 1, 1897. The couple lived in the United States for five years, first in Manchester N.H., then in Fitchburg, Mass. The spring of 1902 saw them coming back to their hometown. Soon after they decided to go west and in January, 1903 they arrived in Beaumont, Alberta. A farm, consisting of 80 acres was purchased but only eight acres were cleared at the time. While the family was growing, Mr. Berube and his wife toiled to clear the rest of the farm, much of it being done after a day's work at neighboring farms to earn cash.

In 1918 the farm was sold and another move was made, this time to Villeneuve where the farm of Eugene Poulet was purchased. During his farming years in the area, Mr. Berube was foreman for many years on road construction and maintenance for the municipality.

In 1940, Mr. and Mrs. Berube retired, passing their property to their youngest son Henri. They

continued to live on the home farm with Henri and his wife Lucia for three years. Mr. and Mrs. Berube then went to live with their youngest daughter, Rita, Mrs. Albert Soetaert and her family.

On March 1st, 1947, Mr. and Mrs. Berube celebrated their golden wedding anniversary surrounded by their large family. At the banquet, Father Roland Berube, a nephew, spoke highly of the qualities of Mr. Berube. One of these comes to mind and I quote "Mr. Berube is a man who minds his own business." How true!

Over his long life, Mr. Berube was to experience death in his family often. Already, a young daughter had died shortly after the family's arrival in the west and in 1948 Mrs. Berube passed away. Joseph continued to live at Albert and Rita's watching the young family grow and endearing himself to all. A granddaughter Lina Soetaert proved this is a small way by flying 800 miles to attend his funeral. In 1955, Mr. Berube's eldest daughter, Luzella Durocher passed away. Three years later, when his son-in-law Joseph Simard died, Mr. Berube went to live in Edmonton

with his widowed daughter Zulma. It was only a short year later that his son Edward passed away. Grandpa stayed on with Zulma until her death in 1967 when he had to make one of the hardest moves of his life. After a bit of persuasion and a promise, Mr. Berube went to live at the Youville Home in St. Albert. After a trial period of a month, grandpa was satisfied and content to make the Foyer his home. Mr.

Berube was still to lose another member of his family. In early August of this year, his eldest son Dio passed away. He still enjoyed attending family celebrations and never missed a chance to go when he could. Grandpa always enjoyed a good party, not excluding the grand celebration held on the occasion of his one hundredth birthday only seven months ago.

# M.D. COUNCIL BRIEFS

# News from Calahoo

At the Sept. 13-14 regular meeting of the Municipality of Sturgeon a lease agreement was approved providing about 1,000 square feet of office space in the MD Bldg. to the RCMP. The lease was renewed for another period of five years at the new price of \$3.50 per square foot.

Council agreed to have a committee of council join with members of the School Board to make a study of office space requirements. The object of this investigation is to determine space requirements of both, the municipality and the school division within the MD Bldg. Depending on the committee's recommendations, one requirement has become obvious and that is the urgent need for more office space and more warehouse space.

The manager of Evergreen Mobile Home Community, Mr. W. Weeks and Mr. Wood of the fire commission's office met with the MD Council to expand on plans to provide fire protective equipment for Evergreen and surrounding areas. Council had previously offered

the MD's former weed spraying truck. Mr. Wood agreed that this equipment would be adequate, once it has been modified to serve as a fire truck and also told council he will supervise the formation and training of a volunteer fire brigade. Mr. Weeks in turn assured council his company will erect a suitable building in which the fire-fighting equipment will be lodged.

Council received a report from Don England, fieldman for the MD stating that this year's Bertha Army Worm spraying costs, including chemicals amount to \$3.80 per acre.

The approach and parking area to the Bon Accord Cemetery, located on Highway 26 was discussed by council in view of a letter received from the Village Council of Gibbons. The MD of Sturgeon Council agreed to absorb the cost of an access, a crossing of the roadway plus a parking area, completed to the gravel stage. Council stipulated, however that the Village of Gibbons purchase the necessary lands.

Council requested that a letter be sent to the RCMP regarding the enforcement of speed limits on the Villeneuve Road, west of the weigh scale. According to the bylaw, speed limits for trucks is 35 mph and 20 mph for all vehicles one-quarter mile on each side of the railway crossing located about two miles from the Hamlet of Villeneuve.

The MD's department of public works was instructed to invite tenders for the purchase of two motor graders for the season of 1974. The DPW was also instructed to trade-off two of its oldest machines.

Three members were nominated to the MD of Sturgeon Conservation Council: Archie Cameron, a former member of the soil conservation council; Don England MD Fieldman and Walter Frank, MD Weed Inspector. Purpose of this council is mainly to investigate local conservation problems and serve in a liaison and advisory capacity between the municipality and the various provincial government departments.

Council received a letter from the Farmer's Advocate regarding a drainage problem on SW 25-58-25-4. Council reaffirmed its position and advised the Farmer's Advocate accordingly.

Costs for the maintenance of MD roads for the first seven months of 1973 came to \$79,065. For the same period the cost for the construction of new roads within the MD amounted to \$76,823. For the graveling of 237 miles of MD roads this year, from January until August 31, the cost totals \$375,678, making the average per yard cost of \$3.35 (hailed and spread). For cold mix application on about 10.5 miles, the cost for that stands at \$75,000.

By Liz McLeod  
Mr. John Scherp is enjoying the peace and quiet of the country while visiting with his cousin, Ferd and Elsa Lischewski, East Hampton, Conn., where John lives, is anything but quiet he told the Peter McLeods when he walked over for a visit. My when conversation got around to pressure and sewage systems it was almost unbelievable to hear how much the cost of sewage at John's home would cost him. According to frontage his would be \$34,000 and then to be connected or installed another \$33,000 and then pay through the nose each month thereafter. He says there's a great influx of new development going on down there too and he says these luxuries are for millionaires. Now and then we get troubles.

John was very impressed with the Game Farm when his hosts took him out to see all the animals. The next stop will be Jasper where he'll meet for the first time Erwin and Willie Lischewski and families and then on to Toronto to see more relatives before returning home.

A change is as good as a rest is it not. Emella Schermund certainly enjoyed the Labor Day weekend when her brother, Melvin and Esther Lienau and sister-in-law, Mrs. Beth Lienau from Spruce Grove took her travelling and camping as far as Pentleton, B.C.

What a thrill to see the picturesque mountain scenery, to pick the ripe fruit off the trees and to just have a change of pace.

In those five days away Emella's boys Barry and Michael and this correspondent enjoyed doing the daily chores. We even had company, Myles, Daphne and Alex Kerr, Cliff McLeod and Lil Bennett and Daphne's

parents, Mr. and Mrs. R.W. Akerman were out for a drive going to the McLeods first and then stopping in to see us. What a delightful visit we had. Even saw the cows come home for milking through the river and the water level is quite high just now. Louis Sobolewski and his boys were also visiting just then.

Stanley and Kathleen Walker enjoyed a week's vacation going up to Manning, Alberta to visit with their daughter Shirley and Conrad Nordstrom and enjoy their grand-daughter's Shana and Shelley also.

Otto and Audrey Steinkamp took their friend, Walter Pleyser with them on a fishing trip to Slave Lake for the weekend. Fishing was good this time only a high wind came up later and spoiled things a bit.

Harold and Nancy Christen accompanied Marcel and Theresa Kerckhof when they took in the barbecue put on by the Charolais Association held at Ponoka recently and certainly enjoyed the day. Camiel and Margaret Douaghe from Castor also attended.

There was a sports day combined with the barbecue. Denise Kerckhof received a trophy from the Charolais Association for her 4H calf.

A nice summer's evening is a good time to have a welter roast. Anita Bergstrelser surprised her husband Lloyd by inviting friends celebrate Lloyd's birthday.

Mrs. Paul Offroy had a most pleasant visit with Daphne Kerr in the city and it was good to hear Mrs. Offroy is rallying nicely since the loss of her husband Paul. She had just come back from visiting her children in the east, and was

going now to visit with her daughter at Athabasca. She is really happy over not having to leave her circle of friends when she moves in with another lady at the homes. Before leaving Calahoo this fine couple were our rural mail carriers.

Geo this been a long while since Paul and Jean Singh and family were back to their old stamping grounds. Frank and Pauline Kolesar enjoyed their visit immensely.

Recently when Colleen Blanehard was soon to leave for a stint in the air force, there was a farewell party held at the home of her parents, Howard and Edith and among the many neighbors and friends present were Ron and friends present were Ron and Lois Scatterly, affiliated with Consolidated Concrete at Villeneuve.

Dick and Mae Thomas had their niece Janet Cox from Vancouver visiting, and a nephew.

And from Pine Point, NWT a jolly young couple, Dennis and Sylvia Boyer, good friends of Evelyn and Reg Belair of Onoway enjoyed the evening and since Dennis coached the ladies softball team of which Sylvia was on, we compared notes and find tournaments up north are very hard to organize due to distance and weather.

Since Colleen has arrived at Cornwallis, Nova Scotia she's wrote to say all is well and she is fine and is enjoying the training. Oh how those buttons shine.

**A Little Safety**

# MORINVILLE MEMOS

By Flo McGinnis

Last Tuesday, Sept. 11 the contractors moved into town and began preparing the first street for hardtopping. Lo and behold, that terrible storm blew up that evening and it wasn't until Saturday that the crews were able to get out on the streets again. Now the majority of the streets are ready for the application of the hardtopping. One thing that was very noticeable over the weekend was the fact that so many of our residents have no respect for the fact that the crews were working and in so many areas the cars were travelling back and forth across the gravel piles as if they didn't exist. Too bad that Morinville residents

have to be so careless!!

Romeo Boissonnault is still hoping that the new IGA premises will be fully completed and ready for occupancy 'very soon'. With the rail strikes etc., the equipment and some fixtures have been held up down east so all Romeo can do is hope for the best.

The Morinville Board of Trade held their first regular meeting of the season on Monday, Sept. 10 at the Legion Hall. Attendance was rather low, but good discussions were held on several subjects, including the settling up of welcoming signs on the outskirts of town.

By now most of the residents have been visited by one of the Lions Club members who are explaining the Birthday Calendar that they are organizing. It seems like a nice friendly way of communicating and a good source of advertising for businesses as well.

The former Erwin Hunking residence is the new home for Mr. and Mrs. Inas Morre formerly of Edmonton.

Labour Day weekend the Art Logan family travelled to Kamloops, B.C. where they attended the wedding of their son Robert. All 10 children were together with their parents for the first time in 10 years. Mrs. Della Logan travelled down by bus a few days prior to the wedding, while Art motored down the day before. Mrs. lacasse (Della Logan's mother) was in attendance at the wedding so there were five generations together.

August 30 saw the elections held at the Alexander

Reserve with the following results: Alexander Band Chief - Fred Arcand Sr., Councillors - Léo Bruno, Martin Arcand, Edward J. Arcand, James Arcand and Victoria Arcand. The latter two have been elected for the first time to the council, while the others are serving for a second term. On Sept. 15 a new Band Constable took over duties, Robert Kootenay was replaced by Tony Arcand as the Band constable, appointed by the Alexander Band Council.

A group from the Morinville Ceramic Club attended the Ceramics International '73 held at the College of Arts, SALT, Calgary. Travelling down south for the weekend to see the display

were: Rhonda Stapleton, Jean Chalifoux, Pat Johnson and Priscilla Ramer from the Morinville club. The display was a world wide showing of ceramic art and included 254 pieces from the 1500 that had been entered. Jean Chalifoux took some 35mm. shots of various pieces and will be showing the slides to the new Ceramic Class a little later this fall.

Mrs. Rena Bland reports that young Todd had his first skin graft on Wednesday the 12th of Sept., and he came through the ordeal quite well. After the fire that sent the three boys to hospital we notice more parents being just a little more watchful of their youngsters although we wonder if it makes a difference - you think about it for awhile, - kids are kids and you can't watch them 24 hours a day. Maybe some of us should reconsider before we so readily lay the blame!

# Report From Bon Accord

By Sadie Allen

Registration for old and new Brownies and Guides will be held in the Bon Accord Community Centre on Wednesday, Sept. 26 at 7:30 p.m. This is a mothers only meeting. If you want your daughter to be a brownie or guide, please attend.

Drug Round-up time for Bon Accord is slated for Sept. 24-30, probably evenings. Members of the B. A. Emergency unit will call at all the homes in the village during this period. If you have any out-dated prescriptions or pills you wish to dispose of, some member of the squad will oblige. Most of us are holding on to potentially dangerous pills, capsules and half empty bottles of medicine just in case. Members of the St. John Ambulance Emergency Squad will check your prescription to see if they are out-dated and of no further use.

The Bon Accord Ladies' Community Club held their first meeting of the fall season at the home of Pauline Mansfield on Wednesday, Sept. 5 with 15 members and three visitors present. After enjoying a two months holiday, the club is busy again with plans for fall and winter activities, the first of which will be the annual turkey supper on Monday, Oct. 8 - Thanksgiving Day. A delicious home-cooked meal will be served in the Community Centre from 5 p.m. until 7:30 and will feature turkey and all the fixings for \$2 for adults and \$1 for children 6 - 12. A cordial invitation is extended to all with a special one to newcomers in the Bon Accord area. This will be a good place to get to know your new neighbors.

Tickets will soon be available for the "Fall Ball" with music by the Satellites on Friday, Nov. 9. Three new members were welcomed into the club - Linda Johnson, June Serediak and Dolores Franchuk. A "welcoming" committee was formed with Betty West, Elaine Whitson and June Serediak volunteering. The committee will provide information regarding clubs, social events and other activities within the village and community to our new residents. Marilyn Carleton won the hostess prize. The next meeting will be held at the home of Carol Rivet, Wednesday, October 10.

Registration for religion classes for children of the Roman Catholic faith will take place on Tuesday, Sept. 25, directly after school - at the school for elementary and at the home of Mrs. Rose Ruth for junior high. Classes are held every Tuesday, and will continue the "Come to the Father" series used last year. Carol Rivet, Yvonne Pasemko and Margaret Bland will be in charge of elementary classes while junior high students will get their instruction from Rose Ruth. All four have recently attended a four-day religious seminar held at St. Albert in August to brush up on the New Canadian Series.

Bingo got off to a slow start on Sunday, Sept. 9. However, a much better

crowd turned out on the 16th. The cash bingos will be held regularly on Sunday evenings at 7 p.m. This week bring a friend.

## Rural Recreation

A tabloid advertising the courses offered throughout the M.D. of Sturgeon will be distributed shortly through the mails and the schools. This tabloid is to inform the residents of Bon Accord, Gibbons, Legal, Morinville and other communities within the MD of Sturgeon what programs the Recreation Department, Department of Agriculture and the School Board will be offering this fall.

Programs for each centre are listed along with a registration date. In order for these programs to be held there must be at least 10 people interested in taking a given course, and residents are asked to register either in person or by using the pre-registration form and mailing it to the Recreation office. The address is: M.D. of Sturgeon Regional Recreation Office, Box 510, Morinville, Alta. Phone the recreation office for any further information at 424-6276 or 256-3321.

## Gibbons Notes

On Thursday, Sept. 13 the Last Round-up Club of Gibbons Senior Citizens held their meeting with 18 members attending. The afternoon was spent playing bingo and whist.

The club has purchased a shuffleboard which should provide a lot of entertainment. They hope to have a piano soon.

After lunch, a short business meeting was held. A motion was made and passed that the club pay the Legion \$50 rent for the use of the hut for the last year.

There will be a tea, bake sale and white elephant sale at the community hall on

October 13 from 2 to 5 p.m. Everyone is invited to attend

The next meeting will be on Sept. 27.

All senior citizens age 60 and over from Gibbons, Bon Accord, Coronado and the whole Gibbons area are invited to attend.

There will be an election of officers at that time.

The Anglican Church Women will hold their annual fall supper and bazaar on October 20 at the Gibbons Community Hall, 5 - 8 p.m. Church services at Emmanuel Church will be 9 a.m. during October.

## Home & School formed in Morinville

Morinville has a Home and School Association now - for the first time in the history of the town.

An organizational meeting of the teachers, parents and other interested persons held in the auditorium of the George P. Vanier High School on the evening of Tuesday, Sept. 11, proved to be highly successful. More than 50 persons attended launching a local one of the most active educational organizations in Alberta.

"The Home and School Associations are the most active educational organizations anywhere in Canada," said Edith Hynka, president of the Alberta Federation of Home and School Associations. Mrs. Hynka was the keynote speaker at the meeting.

"The Home and School Associations are the only voluntary organizations actively involved in the education of our children," said Mrs. Hynka in her address. "We not only know that children are the best asset that we have, we are also prepared to give our time, energy and money for their benefit," she added.

According to Mrs. Hynka the children in schools need the help of not only our elected representatives on the legislative and educational bodies, but also from their parents - a help to be given willingly and voluntarily in co-operating with various programs in schools.

In Mrs. Hynka's words Home and School is no longer a fund-raising, tea-partying, money-making organization: it is an organization of parents concerned and involved in many decision making processes with regards to what is happening to and with their children.

The meeting approved the constitution of the Morinville Home and School Association with a resounding unanimous vote. The constitution was prepared by a committee after having studied various constitutions of similar organizations in the province and in consultation with the Alberta Federation of Home and School Associations. Mr. Jeet Khullar conducted the discussion and adoption of the constitution.

Following were the officers elected for the 1973-74 term: Kay Toller, president; Raymond Ancell, vice president; Lil Boddez, secretary; Lois Mulligan, treasurer; Lorraine St. Laurent, educational chairman; Ralph Gaetz, program chairman; Jeet Khullar, public relations chairman; Cecile Grogire, social convener. In addition to these officers, the executive committee will also include two principals, two school teacher representatives and two senior student representatives.

John Ryll, central regional vice president of Alberta Federation of Home and School Associations, said, "Our local associations must represent all interested sectors in the community. It is very encouraging to see that the Morinville

Home and School Association is involving the students in its activities." He was the second guest speaker.

Mr. Ryll explained the operation of Home and School Associations in various parts of the province and emphasized the involvement of everyone in the community. He highlighted many of the activities of the H & S Associations for the betterment of education of our children.

The meeting decided by a majority vote that the annual membership fee of the Association should be \$1.50 per person or \$3 per family. Family membership would include both the parents and any children in the family attending high school.

The meeting also decided to hold at least six monthly meetings every year. Next meeting of the Association will be held at 8 p.m. on Tuesday, October 3. It was agreed that all general meetings should be held on the second Tuesday of the month.

In his first address, President Matt Toller said, "We would like to see every citizen of Morinville get involved in the education of our children."

The Association will be affiliated with the Alberta Federation of Home and School Associations.

## Thibault board reports enrollment up 10%

Schools in the Town of Morinville have increased in enrollment by 10 per cent or more. Figures released by Mr. W. J. Fitzpatrick, senior administrator, show a jump from 582 to 635 and more enrollments are expected.

Due to enrollment change an extra teacher has been hired to solve the overload at the grades 4 & 5 levels.

There is a minimum of two classes per grade level from Grade 1 through to Grade 11 and one Grade 12. 230 credits are offered in the high school program, similar to last year.

Because of budget cuts the board is attempting to merge the elementary French programs with some English students and thereby equalize the class loads from grades one to six. Only students with French backgrounds will merge.

Following is the staff list for the 1973-74 school term which numbers 30 teachers.

Georges P. Vanier School: W. Fitzpatrick, senior administrator; Mr. Schayes,

principal; T. Turnbull, vice-principal; D. Passy, librarian; A. Sandhu, M. Andriak, Miss K. Weston, G. Houle, P. Seguin, G. Lavigne, Mrs. L. St. Laurent, Mrs. D. Found, G. Smith, Miss P. McDonald, P. Riopel, Mrs. R. Riopel, Mrs. F. Froment, Mrs. C. Turgeon.

Notre Dame and Yellow Schools: W. Fitzpatrick,

principal; Mrs. C. Froment, H. Weidell, W. B. Parsons, Mrs. T. Riopel, Miss R. Morissette, Mrs. S. Gervais, Mrs. S. Saldern, Sr. Annette Mageau, Mrs. Y. Pelletier, Mrs. L. Froment, Mrs. L. Mandin, Mrs. L. Miller, Mrs. J. London, Mrs. J. Labonte, Mrs. V. Pezer, Mrs. C. Erdman, Mrs. J. Doidge, secretary.

## NAMAO NEWS

By Norma Crozier

A registration meeting for Mothers-Take-A-Break will be held Sept. 25 at 9:30 a.m., Namao Old Elementary School. Program offered will be one hour of physical culture and one hour with a guest speaker or crafts. On October 2 guest speaker will be Mr. Shields from the Alberta Drug and Alcohol Abuse Commission. A film will be shown followed by a question period on this very real problem we have today.

Registration fee \$4 for 12 weeks. For non-members who wish to attend the charge is 75¢ per meeting. Everyone is welcome. For further information contact - Mrs. Teena Eppinga - 799-3810.

able to attend because of illness, we wish her better health in the near future. The crowd thoroughly enjoyed the singing of Mr. Ronald Nelsen accompanied by Mrs. Barbara Crozier on the piano. Mr. Jim Sharp a long time neighbor presented each couple with a guest book and a purse of money from everyone present.

Get well wishes to Mrs. Olive Harold who is a patient in Cammell Hospital in Edmonton.

The reorganization meeting of the Namao 4H Bunnies and Bows Clothing Club will take place on Tuesday, Sept. 25 at 7:30 p.m. at the Namao United Church. To join girls must be 10 years old as of January 1, 1974.

Mr. and Mrs. Howard Samuels have returned from a motor holiday to British Columbia. They paid a visit to Dr. and Mrs. E. Miller at Rock Creek, B.C.

## Horse Hill Report

By Peggy Wenzel

Regular church services are held at 10 a.m. each Sunday at Patricia United Church. Everyone is welcome.

The regular meeting of the Patricia UCW will be held Sept. 25 at 8 p.m. at the home of Mrs. R. T. Bocock. Interested ladies are invited to attend.

The Horse Hill Community League will hold its regular meeting on Thursday, Sept. 27 at 8 p.m. at the meeting room of the League (south side of the gym). Support your community league.

Fall programs for arts and crafts will have pre-registration before the community league meeting in the meeting room at 7:30 p.m. Attentive programs to be offered are:

ADULT - Evening - Pottery, Bargello, Creative Stitching and Rug Making. Afternoon - Sewing, Pattern alterations.

TEENS - Girls - Self improvement, Sewing and Fashions. This is a first of a two part series after Christmas the second part will consist of hairstyles, makeup, posture, etc. Girls should attend first session to be eligible for the second session.

## Municipality Selects Site In Bon Accord

At last week's regular meeting of council of the MD of Sturgeon, Councillor Walter Jeram reported on behalf of a committee delegated to investigate and recommend a site for waste disposal in the Bon Accord area. Other members of his committee included a representative from Bon Accord, Gibbons plus health inspector Ken MacMonmond.

Mr. Jeram told council that his committee had visited several sites in the Bon Accord area and recommended the site located immediately north of Bon Accord. Included in Mr. Jeram's recommendation was that the municipal district lease the said site for a period of

between 5 and 10 years, on an annual basis.

Council agreed with the committee's recommendation and advised the executive committee to make the necessary arrangements and prepare a lease agreement.

Regarding another piece of land, council agreed to make a purchase option on 360 acres in Section 24, being the Carleton area, for a period of six months. In passing the motion, council stipulated that this land be purchased for recreational purposes. Council was not prepared to elaborate on plans for this land, although a spokesman for the MD did say that if said land is indeed purchased it will be devoted to the development of recreational facilities, "but not in the immediate future."

## Parliament Hill Report

### L.I.P. Program Changes Expected

By Dan Hollands, M.P.

The Minister of Manpower and Immigration has announced plans for the 1973-74 Local Initiatives Program (LIP), and it's obvious that some changes recommended by the Conservative Opposition in Parliament have been incorporated into the new LIP Administrative procedures.

In the early stages of the program there was considerable criticism about the manner in which some projects were approved or rejected, and in the way the projects were monitored. Many of the criticisms were justified, and the changes announced by the minister will go a long way in restoring public confidence in the LIP program.

Applications for LIP Grants in last year's program were sent to the member representing the riding in which the applicants lived. The member was expected to evaluate the applications, and make recommendations as to the priority he felt the project deserved. This was not a satisfactory procedure.

Among other things, many members felt that this procedure was designed to put the responsibility for justifying accepted and rejected applications on the shoulders of the member rather than on the shoulders of the official who actually made the decisions. For that reason, many of the members have avoided getting personally involved in the screening of applications.

This does not mean that members don't want to be involved in the LIP program on behalf of their constituents. What it does mean is that they want a better procedure, one that will allow the members to participate in an objective, non-partisan way.

The revised procedure for screening and evaluating LIP applications will involve more people in the communities, and the member will be one of those involved in evaluating individual projects rather than being in the position of trying to decide which applications deserve the highest priority.

Under the new system the members will be asked to recommend people from the Ridings to serve on constituency advisory groups. These people will be drawn from various citizen groups in the community. Three will be selected from the community at large; two from the local governments; two from voluntary and social agencies; and two who have operated successful LIP projects in the past, and one person assigned to the advisory group from the Department of Manpower.

In addition, a liaison and information group will be established in the LIP project office in Ottawa to work directly with the members. If a specific problem arises, the member will be able to deal directly with the manpower minister to resolve the problem and ensure that applicants are

dealt with fairly.

Program officers from the LIP office will be assigned to provincial and area posts on a permanent basis, providing assistance to those who are operating LIP projects, and to provide direct contact with members in the ridings. These changes indicate that some thought is being given to making the LIP program more or less permanent, something that we in the Official Opposition have been pressing for.

Another welcome change is one that requires LIP projects to be more directly related to community needs, where such services do not already exist. Construction projects will be frowned upon, especially where the materials and qualified workers are in short supply. The emphasis will be on projects that meet a purely local need, and workers must be drawn from the community in which the LIP Grant is awarded.

Having a group of people from the community evaluating applications for LIP grants should result in a more equitable situation, and I think that it will give more meaning to the program. Applicants and their projects will be screened by people who know the community, the applicants, and the effect that the projects are likely to have. One other effect of the new system will be to lessen the possibility of kooky, useless projects getting approval, projects that have brought the LIP program under severe criticism in the past.

Your comments and suggestions concerning the new LIP program will be most welcome. I would like to see the communities in our riding involved in a big way in the 1973-74 LIP program, and this means that you will have to come up with some sound ideas for programs that will provide some useful and essential services in your community. Let's get involved!

### Villeneuve 4H News

By Liz McLeod

The Villeneuve 4H Beef Club held the final meeting of the season at the home of Marcel Kerckhof on Aug. 27. President, Julie Lesburg, vice pres, Norah Terrault, sec, Denise Kerckhof, treasurer Jocelyne Durocher and news reporter Philip Terrault with leader Mr.

## Four generations present at Borle re-union

By Liz McLeod

One hundred and seventeen members of Mrs. Felina Borle's family, covering four generations, gathered for a reunion in August at Wabunan Lake Park, taking along a huge picnic lunch. On a glorious summer day the families thoroughly enjoyed getting acquainted, catching up on family news, and enjoying the scenery. Felina's children and their families who attended were Muriel and Johnny Sabourin and family, St. Albert;

Agnes and Angus McDonnell, R.R. 1, St. Albert; Madeline and Fred Brown, Calahoo; Mel and Eloise Borle and Paul, R.R. 1, St. Albert; Emilie and Audrey Borle and family; Jean and Morris Beaupre, daughter Marlene, hubby and infant son Arthur and Margo Borle, Vancouver; Lorraine and Raymond Kremer, R.R. 1, St. Albert; Marie and Ernie Perras, St. Albert. Also present were Madeline and Fred's children, Sylvia and Lionel Sabourin and family, the Garry

Brown family, the Alan L-Henreux family; Lorna Brown and fiancée Jim Kilworth, all from Edmonton; and Cherylene Brown and friend Guy Meunier, Shirley and David Atkinson had just gone on holidays so missed this happy event as did Dwayne Brown and of course Russell and Hazel Brown were honeymooning at the time.

Felina's sisters Helen Lieman and family from Vancouver and Elsie Jones and family from Stony Plain were there. Her sister, Martha Wood was recuperating in Glenrose Hospital, but her son Donald was able to be present. Three brothers attended as well: Emilie Fleihaber from Alberta Beach, Delph Fleihaber and family of Camrose and Louis Fleihaber and family. An uncle, George Fleihaber was present as well.

## Village of Legal Public Notice

Pursuant to the provision of Section 153 of the Municipal Taxation Act, Public Notice is hereby given that the council of The Village of Legal intends to undertake the construction of Water Main and Sewer Main Extensions, as Local Improvements. The estimated cost of the aforementioned Local Improvements is \$37,500.00 repayable over a period of twenty-five years at a rate of interest not exceeding nine per centum (9%) per annum and to charge to lands abutting that portion of the street or place wherein the Local Improvements are made at a uniformed rate per front foot of frontage over the said period of twenty-five years as follows: Water Mains and Sewer Mains - one dollar and eighty four cents (\$1.84) per assessable foot of frontage.

The location of the proposed Local Improvements is as follows, on

48th Avenue between 47th Street and 50th Street, on 49A Street between 47th Avenue and 48th Avenue, on 47th Street between 48th Avenue and 49th Avenue.

Notice is further given that unless the majority of the owners of the land that may be assessed therefore, representing at least one half in value thereof as aforesaid, petition the Council against it within two weeks after the last publication of the notice, the Local Improvements may be undertaken and the cost thereof assessed by the system of assessment referred to in this notice.

If not petition sufficiently signed has, within the time limited in that behalf, been presented to the Council against the Local Improvement or Assessment aforementioned, the Council may undertake the proposed Local Improvement at anytime within three years of the giving of the notice.

Date of the last publication of this notice will be the nineteenth (19th) day of September, 1973.

Dated at the Village of Legal this tenth (10th) day of September, 1973.

Agnes Montpelt,  
Secretary-Treasurer.

### Here are some of the reasons:

We are still short of a number of items, but hopefully this situation will clear up at the end of this week.

We have been short on a number of cereals but this situation is now cleared up.

Prices are still on the rise from Manufacturers — but seem to be settling down at the present time. New increases in packing material is also causing many items to increase in price.

Cheese prices on the world market are up substantially and this is causing the price of cheese and cheese products to increase.

Meat prices from the packing house are staying steady, still very high but not increasing. Smoked Meats are considerably down and these prices are reflected in new low shelf prices.

Prices effective in Edmonton, St. Albert, Ft. Saskatchewan and Sherwood Park until closing Saturday, September 22, 1973.

We reserve the right to limit quantities.

## THE LIQUOR LICENSING ACT (PART 3)

(SECTION 90 (4))

## NOTICE OF HEARING OF LIQUOR APPLICATION

The following notice is published in accordance with the provisions of The Liquor Licensing Act:  
1. The area comprising THE VILLAGE OF GIBBONS boundaries being all that area lying within the corporate limits of the VILLAGE OF GIBBONS, has been designated as a local option area for the purposes of the above Act.

2. The Thirtieth day of October, 1973 has been set as the date upon which the Board will consider applications for licenses under the above Act, unless prior to that date the Board has received a petition signed by 500 electors of the above described local option area or 10 per cent of the number of persons named on the latest lists of electors for an election of a member or members to the Legislative Assembly from the area comprising the local option area, whichever is the lesser number, requesting that the Lieutenant Governor in Council submit to a vote of the electors of the local option area a question in respect of the class of license applied for.

Dated at Edmonton, this Twelfth day of September, 1973.

A. D. ELLIOTT, CHAIRMAN,  
The Alberta Liquor Control Board

NOTE: Petitions requesting a plebiscite vote must be on the official petition forms which may be obtained from The Alberta Liquor Control Board, 12360 - 142 Street, Edmonton, T5J 2R4, together with instructions for the submission of a petition.
